Dear Bill,

I have a somewhat delicate question. We got a notice that documentary producer Andrey Nekrasov will present a film about you and Mr. Khodorkovsky in Brussels. Nekrasov has a rather controversial reputation. So, we don't know whether we should send a correspondent there or stay away from this event. May I ask you for our background - do you know about this documentary and do you approve it?

Thank you. And hope for confidentiality.

All the best,

Irina
